

Availability List – 25/11/2010

Masaki Sansai Sanke Breeders

Sorry no video.

Breeder Sansai female 58 & 60cm

These two sansai Sanke females are ONLY R13480 EACH. Mr. Masaki is stop breeding and is selling his stock. The only provision he sets is that you buy both. So if these fish are still available, this will be a golden opportunity.
