### Sansai & Yonsai from Sakuma

The yonsai 70 cm Sanke was a bit stressed and with a yellow head because the was stripped the previous week. (if still available about R45,000)

The sansai ginrin Showa (62 cm) was very active and showed a poor picture but the video was better. (if still available about R22,000)

View the video on the link <http://youtu.be/BUWDs7nD0tM> to get a much beter idea.
